ASPCA toxic and non-toxic plants list

161 plants from the ASPCA toxic and non-toxic plant lists, sorted by what the ASPCA says. Only the ASPCA's own words are used: "not stated" means its page does not say for that animal.

Toxic or non-toxic status comes from the ASPCA plant lists. If a pet eats a plant, call your vet or the ASPCA Animal Poison Control Center on (888) 426-4435 (a fee may apply).

Toxic to at least one animal (95)
